Chenhao Zhang (Felix) was born in Hangzhou, Zhejiang, China. Currently resides in Los Angeles, USA.

He earned his bachelor's degree in Film Directing from the National Academy of Chinese Theatre Arts and a master's degree in Film Cinematography from the Dodge College of Film and Media Arts at Chapman University in the USA. Additionally, he pursued further studies at the Film and TV School of the Academy of Performing Arts in Prague (FAMU). Throughout his career, Chenhao has had the privilege of working as a cinematographer and director on various short films and documentaries, with a particular focus on realistic imagery.

He has also had the opportunity to contribute as a colorist on a range of short films, commercials, and music videos. During his studies, he developed a understanding of film cinematography techniques and became proficient in Livegrade and Assimilate production workflows and technologies.
